SUMMARY

I'm a people person, problem solver, and pixel pusher. I want to create thoughtful, inventive products that bring joy and ease to the people who use them.

RECENT PROJECTS

LOOM | UI/UX DESIGN, PROJECT LEAD

Bloc Apprenticeship | June 2018-Aug 2018 | <https://deannalam.design/project.html>

Discovered and solved stakeholder issues through user research and developed personas, user flows, and wireframes.

Designed lo-fi and hi-fi prototypes in Sketch, Balsamiq, and InVision for quick iterations and usability testing.

ZENBOOK | UI/UX DESIGN, PROJECT LEAD

Bloc Apprenticeship | Oct 2018-Jan 2019 | <https://invis.io/QGQJ24T25B7>

Developed user surveys, user journeys, storyboards, and wireframes for a conceptual yoga teaching assistant app.

Developed design library and designed clickable hi-fi prototypes in Sketch and InVision for A/B preference testing and in-person/remote usability testing.

RELEVANT EXPERIENCE
